Origins of vehicle names

Vehicle name		Release date of 1st-generation model	Meaning/origin
Mira	Mira	1980.6	"Mira" means "envy" in Italian.
	Mira Cocoa	2009.8	The name expresses the relaxing feeling while drinking cocoa.
	Mira e:S	2011.9	"e:S" is a combination of the English words, "eco (ecology, economy)" and "smart."
Move	Move	1995.8	The name derived from the English word. It reflects Daihatsu's desire that the car will give new emotional excitement to the drivers and "move" up the value of the car.
	Move Canbus	2016.9	Canvas. Express anything + Depending on the design like a mini bus, expression of a car that can expand the possibilities of living.
Tanto	Tanto	2003.11	"Tanto" means "so much" and "a lot of" in Italian. The name is imbued with Daihatsu's desire that the car will bring a lot of happiness.
Hijet		1960.11	"Hijet" is a name created by Daihatsu. The car offers higher performance than the Midget.
Hijet Caddie		2016.6	Caddie means "person who takes care of and helps people" and "person who works in delivery business". It reflects Daihatsu's desire that the car will be a good assistant and a reliable partner.
Atrai Wagon		1999.6	"Atrai" is a coined word deriving from the French word "attrait" (meaning appeal, attraction, etc.).
Altis		2000.3	Coined word deriving from the English word "altitude" meaning "high level or rank," indicating that the car is Daihatsu's high-end model.
Boon		2004.6	The name derived from the English word "boon" meaning "merry." The name was inspired by the sound that small children make when imitating the sound produced by an automobile.
Mebius		2013.4	Möbius means "Möbius strip" in German and symbolizes eternity. The name represents sustainability, high mileage and roomy interior. The name, Mebius, means the car that can run as far as you want.
Copen		2002.6	Copen means "Community of OPEN life." "Robe" expresses the structure with fiber plates worn over the framework like a robe, which is a French word meaning "cloth, costume, dress."
WAKE		2014.11	Deriving from English verb wake, this name expresses "a car that provokes a feeling of excitement"
Cast		2015.9	The name derived from "cast" of drama. It reflects Daihatsu's desire that the car will work as a cast to enrich the life styles of drivers.
Thor		2016.11	In addition to the meaning "buddies that are powerfully dependable" from the thunder god Thor of the Nordic mythology, expressing that TALL = "taller" is a tone wagon of the new genre with the same sound.

Other vehicle names

Vehicle name		Release date of 1st-generation model	Meaning/origin
Bee		1951.10	The name derived from the English word "bee."
Midget		1957.8	The name derived from the English word "midget" meaning "very small."
Compagno		1963.5	The name derived from the Italian word meaning "companion," "partner," etc.
Fellow		1966.11	The name derived from the English word meaning "a companion, associate, etc."
Consorte		1969.4	The name derived from the Italian word meaning "consort."
Delta		1970.10	Greek pronunciation of "D" in "Daihatsu."
Taft		1974.8	Coined word that stands for Tough Almighty Four-wheel Touring vehicle.
Charmant		1974.11	The name derived from the French word meaning "charming."
Charade		1977.11	The name derived from the English word "charade."
Cuore		1980.7	The name derived from the Italian word meaning "heart."
Rugger		1984.5	The name derived from the English word "rugger." It was inspired by powerful, quick and agile movement of a rugby player.
Leeza		1986.12	Coined word. It suggests Daihatsu's desire that the car will be an attractive vehicle loved by many people, just like the painting of Mona Lisa.
Applause		1989.7	The name derived from the English word "applause" meaning "marked commendation" and "acclaim."
Rocky		1990.6	The name was inspired from the area from Rocky Mountains to the west coast of the United States.
Opti		1992.1	Coined word combining the English words "optimum" and "optimistic." It means that the car has an insight for the bright and promising future.
Minisway		1995.5	The name means that the car will sway the trend of electric vehicles toward "mini vehicles."
Pyzar		1996.8	Coined word deriving from the word "Paizah," a gate pass to the Silk Road during the Mongol Empire Period.
Terios		1997.4	Coined word deriving from an ancient Greek word meaning "making wishes come true"
Storia		1998.2	The name derived from the Italian word meaning "story." The name is instilled with the expectation that a new story of small cars starts with this car.
Naked		1999.11	The name derived from the English word meaning "plain" and "without disguises." It implies that the car is an unadulterated base vehicle waiting to be embellished.
Atrai 7		2000.7	The name indicates that it is an Atrai model with seats for seven persons.
YRV		2000.8	The name is made up of the first letters of the English words, "Youthful style," "Robust body" and "Vivid performance."
Hijet Gran Cargo		2001.7	The name indicates that the vehicle is a larger (= Grand) Hijet Cargo model.
Max		2001.11	The name derived from the English word "maximum." It expresses that the vehicle is packed with maximum fun and pleasure.
Be-go		2006.1	"Be-go" expresses a transition from "Be" to "Go." The name suggests the car's active image that may bring a change to the driver's life-style or attitude.
Sonica		2006.6	Coined word deriving from and inspired by "sonic speed" and "soaring and nimble car."
Terios Kid		1998.10	The name is a combination of a coined word deriving from an ancient Greek word "Terios" meaning "making wishes come true" and the English word "kid" suggesting "youthfulness."
Esse		2005.12	The name derived from the English word "essence." It implies that the car pursues the "essence" of mini vehicles.
Coo		2006.5	The name derived from the English word "cool" meaning "stylish" and "pleasing." It also suggests the sound of the Japanese character meaning "sky," "spaciousness," etc.
Boon Luminas		2008.12	Coined word deriving from the combination of the English words "luminous" and "roomy." It suggests that the car will bring a new, bright future to the people who ride in it.
Tanto Exe		2009.12	"Exe" means "exceed x excellent ecology," "emotional x elegant design" and "executive space." The name expresses the vehicle's excellent environmental performance, superb style that appeals to mature adults, high quality and comfort.
Move Conte		2008.8	"Conte" is a Japanese-style abbreviation for the English word "continuity." It expresses the potential of the car to let its owner enjoy his/her unique lifestyle. It also means "comfortable interior" as the car aims to provide the highest comfort to the people riding in the car.
